PREPARED FOR THE 60TH CLASS REUNION

SOUTH OAK CLIFF – CLASS OF 1964

NOTE: This directory was prepared from a databased of classmates maintained by the reunion committee. The information contained herein is the information the reunion committee has recorded for each classmate. Classmates are responsible for keeping your contact information up-to-date with the committee. Too often, that is something overlooked when you move or change contact information. The committee currently communicates with classmates only by email. Please make sure your information is current and that info@soc64.com is on your safe email senders list.

If you find errors in the directory, please send updated information by email to info@soc64.com. Since we do not plan to print directories, changes can be made as updates are received. That will ensure that you are kept informed about all things SOC64.
